

Marilyn G. White was recently appointed by Governor Bob Wise to serve as a board member of the West Virginia Health Care Authority. She brings a wealth of health care experience to this position. First, Ms. White is a registered nurse with experience in emergency room nursing and I.V. therapy. In addition to this clinical experience, Ms. White has worked for various health insurance companies as a health statistical analyst, a manager of utilization review and provider relations and finally as director of provider relations.
